

# Holy Family Parish

---

## SERVICE PROJECT INFORMATION

Each Candidate is responsible for completing ten hours of service: We recommend that the hours be divided as follows: 5 hours of service at Holy Family Parish and 5 hours within the community. Service is giving of one's time where payment is not received for work completed. It is recommended that the candidate begin working on this responsibility sooner rather than later! Please use the tracking sheet to record dates, locations, hours completed and a signature of the person for whom the Candidate volunteered. These hours are due no later than **March 11<sup>th</sup>, 2018**

*Note:* Community Service does not count if it is done for Parents! That's called chores, not service!
