

Pastor's Notes

Dear Friends,

This week, the Catholic Church in our country takes the opportunity to celebrate Catholic education. Catholic Schools Week (January 27 – February 2) allows us to truly give thanks to God for the great gift of educating our children in the faith. In the Diocese of Syracuse there are 22 Catholic Schools – 5 high schools, 17 grammar schools. We are truly blessed to have one of the 17 Catholic grammar schools at Holy Family! We are all proud of our school!

I want to highlight some aspects of our school that make it strong and vital. Traditionally, Catholic education has been known to emphasize reading and writing. This is still true even today. Our young people have strong reading and writing skills. At the same time, they are well trained in other areas! Our schools is equipped with the latest technologies and our children, at all age levels, have access to Chromebooks, iPads, and so on. It is impressive to walk into a classroom of first grade children and see them with their iPads and using them for their lesson enhancement or walking into our sixth grade classroom and seeing them doing projects on Chromebooks. In addition, our school children excel at science and math. So often, I am told that when our children go to junior/senior high school they are so far ahead of their peers. Our school, as are all Catholic School in the Diocese of Syracuse, are Middle-States accredited and our kids achieve great success in all areas on standardized testing.

Furthermore, we offer a large variety of extracurricular activities, tutoring, foreign languages, dance, science club, running club, various sporting activities, and so much more. Our before and after school programs along with our pre-k programs are the best in the area! When it comes to faith, our children pray together, go to Mass, study the faith, and they put into practice with our Helping Hands Club, which allows them to follow in the footsteps of Jesus and be of service to others! **HOLY FAMILY SCHOOL IS NOT YOUR AVERAGE CATHOLIC SCHOOL**, it goes above and beyond to create a well-rounded student!

One of the things that makes our school so great is the commitment of our faculty and staff. On behalf of everyone at Holy Family, I want to thank

our principal, Sr. Christina, and our faculty and staff for their ongoing commitment to serving our young people and giving them the best Catholic education! We are blessed by the goodness of our families that choose Catholic education and their commitment to our school! To our parishioners, thank you for your support of Catholic education. Please come to our open house this week on Thursday, January 31 from 6-8 PM.

Happy Catholic Schools Week,
Father Manno

As a result of the storm last week, we had a total of about 300 people at our Masses on Sunday (not including Saturday night's Mass). Typically, we see about 4,000 people at Sunday Masses. It is good that people recognized that it was difficult to get to Church and a dispensation was granted for those who could not make it. Holy Family Church relies on the goodness of parishioners to meet its weekly budget and expenses. Therefore, if you were not able to make it last weekend, would you kindly consider making up your offering so as to ensure that we can continue to offer all of the great programming and ministries that truly make us a, "loving family!" Thank you for all you do for our parish family.

EUCCHARISTIC ADORATION

Eucharistic Adoration provides us with a chance to be with our Savior one-on-one. We set aside special time from our hectic modern lives to create a personal space in which to meet our God. By doing so, we grow more in tune with God, able to talk to Him and also to listen. It's a time when we ask Jesus to come into our hearts and minds and we walk away transformed. Please visit our Adoration Chapel and consider your own individual hour as part of our Ministry. Call Tom Colabufo at 35-487-8377.

"Come home to oneself" means that one can walk around inside one's heart, looking at what is there and finding God's love within it.

Offering: \$30 includes lunch

Sr. Kathleen is founder of Francis House, a home for the terminally ill. She has given retreats, days of reflection, and numerous lectures on prayer, solitude, the Franciscan way of life, mystics and spirituality.

LIFE QUOTES

"Abortion and racism are both symptoms of a fundamental human error. The error is thinking that when someone stands in the way of our wants, we can justify getting that person out of our lives. Abortion and racism stem from the same poisonous root, selfishness." Alveda King
