**PASTOR'S NOTES**

Dear Friends,

All of us know of people who have left the faith for one reason or another. In my own family, more than half of my siblings do not go to Church. The other day I saw a statistic that was staggering - for every one (1) child confirmed, 6.5 people leave the faith. This is not a new problem and it is not just a Catholic problem. Nonetheless, it is a problem and a problem that leaves many asking, "What do we do?"

Recently, Brandon Vogt, the content editor for Bishop Robert Barron's *Word of Fire Catholic Ministry*, launched a website called 'Help them Return'. It is aimed at helping us help those we know - family, friends, relatives, neighbors, anyone - find their way back to the Church. I have watched several of the videos (they are short) and I have found that they offer some terrific advice for those of us who want to see our loved ones return to the Church.

If you are interested all you have to do is visit [www.helpthemreturn.com](http://www.helpthemreturn.com). Then you will be able to read over and view the video clips. Let us remember that our prayers for the return to the sacraments of our loved ones are always heard. Let's turn to God and pray earnestly for those who have left, that they will come back and experience the love and presence of God in a powerful way through the Church and the sacraments.

Blessings, Fr. John

**Our New Website was Launched**

Our new website is up and running. This is the initial phase of launching the new website. In order for you to visit the site - just Google 'Holy Family Church, Syracuse' and it should bring you to a link for [www.holyfamilysyr.org](http://www.holyfamilysyr.org). Once you get on the site you will be able to view the initial phase of our website and design. I think you will find it to be very beneficial and easy to navigate.

**A FAMILY PERSPECTIVE:**

Today's Gospel teaches UNCERTAINTY is normal. There are some things in life which "no one knows....only the Father." Marriage and parenting are full of uncertainty. Like the fig tree in the Gospel, the people we love grow and change.

Families will always have their trials, but may you never add to them! Instead, be living examples of love, forgiveness and care. Be Sanctuaries of respect for life, proclaiming the sacredness of every human life from conception to natural death.
