**PASTOR'S NOTES**

Dear Friends,

I am excited this weekend to extend a warm welcome our brothers and sisters from St. Joseph's Church Choir in Camillus who are joining our choir this weekend for the 10:30 AM Mass. You may remember last fall when our choir went down to St. Joseph's and sang at a Mass. This is such a blessing for our parish community to be able to work in such a beautiful way with our neighboring parish. In addition, the Diocese of Syracuse has asked us here at Holy Family and St. Joseph's to begin to collaborate to discern how to best serve the needs of our area, especially as we have fewer priests. I am happy to work with Fr. Peter Worn, Pastor of St. Joseph's and the good people at St. Joseph's. I know that the Holy Spirit has great things in store for us and having the joint choirs sing at our 10:30 AM Mass is just the beginning of good things to come. Welcome St. Joseph's Choir!

In other news, I was reading an article the other day on what it means to be Christ-like and I wanted to share with you just a small section of that article that I think is worthy of our reflection at Holy Family, especially as we close out our Easter Season.

"Christ-like is reaching out in love, not hatred. Christ-like is being self-less, not selfish. Christ-like is honest, not deceitful. Christ-like is to serve and not to expect to be served. Christ-like is to forgive and not hold grudges. Christ-like is to be joyous, not miserable. Christ-like is to be present, not to run away. Christ-like is to witness to the truth and not be silenced. Christ-like is to be open to change, not despise it. Christ-like is to know that there is pain, suffering, and death and not to cower in the face of it. Christ-like is to know the resurrection and the joy that will come from seeing God face to face forever!"

Let's pray that at Holy Family we will continue to celebrate the joy of Easter and be Christ-like in all that we do, revealing to others that we are truly "A Loving Family."

Thanks, Fr. Manno

**D.S.M.P. NEWS**

On April 20th we celebrated the feast day of Blessed Clare Bosatta. She was one of our first sisters. Once when I was going to confession, the priest asked me what was it that I learned from the life of St. Clare. I had to reflect for a short time and told him that I think it was the way she corrected others. When something was done that was offensive or wrong, she would not correct the person right away, but would wait to do it maybe the next day. I wondered why that was, and in reflecting, thought that probably it gave her time to reflect on the situation and what to say and maybe most importantly if there was any anger on the part of either person, that person had time to calm down. May Blessed Clare, who only lived until she was 28, help us to sow mercy and love in the lives of others.
