“O Mary, full of grace, patroness of this nation and mother of the church, in this time of illness and worldwide need we seek your intercession for the human family before your Son’s throne of grace and mercy.

We ask for strength in adversity, health in weakness, and comfort in sorrow.

Help us, O Blessed Mother, to be filled with confidence and trust in the tender compassion of our God.

Let us not be afraid, like our own St. Marianne Cope, who entrusted her life and ministry among the outcasts of society into the care of our Divine Physician.

Continue to watch over all who are sick as well as those who care for them and give wisdom to all who are seeking a cure.

We ask this through Christ, our Lord. Amen.”

PRAYER FOR HEALING FROM POPE FRANCIS

Mary, you always shine on our way as a sign of salvation and hope, we rely on you. Health of the sick that under your protection and through your intercession, you will not despise the prayer of those in need and will comfort and protect us in every trial.

Help us to grow in this moment of grace, in communion and solidarity with the sick who suffer, and all who are caring for the sick. Help us to share and suffer with the burdens of our brothers and sisters in the diocese, our cities and throughout the world who suffer the trial of diseases and disasters of every kind.

Mary, Our Mother, you know what we need and are sure that you will provide so that, as in Cana of Galilee, joy and celebration may return after this trying moment. Help us we pray, to conform to the will of the Father and to do what Jesus will tell us. He took our suffering upon Himself and took on our pains to lead us, through the cross, to the joy of the resurrection, Amen.
