**PASTOR'S NOTES**

Dear Friends,

Oftentimes summer is quiet around most parish communities. However, Holy Family is a little different. Instead of quieting down, we have a lot going on during the summer. Here are some of the things taking place at Holy Family during the summer months.

Our maintenance crew is going strong over the summer stripping and waxing the school floors to make sure that the school is done on time and ready for our students to return in September. In addition to this, they are managing all of our maintenance needs. We have a substantial reconstruction of our parish offices in progress. When that is done sometime in September, it will be a fitting office building (pastoral center) for our parish. We are constantly evaluating our needs for our buildings. Over the summer we have been looking at our needs for the school, church, and rectory. Many of you have asked about the rectory and what we will do. The honest answer is, "I don't know yet." Right now, we need a new roof, windows, plumbing, and electric. We know we would have to gut the interior of the top two floors and essentially rebuild. We have learned that the sill of the back part of the rectory has been eroded due to an ant infestation over the years. The sill, as you know, is that part of a structure that holds it up. As you can imagine, this is quite serious. All in all renovations will be \$200,000 or more. This is why it is important that we analyze our options and determine the best course of action. At this point, we are asking, "do we remodel or rebuild?" I will keep you posted on this matter. In addition to all of these maintenance issues, we have other great things happening – we have numerous weddings, our summer program at school, Financial Peace University for 50 people every week during the summer, summer confirmation, food pantry, and so many other programs.

Thank you to all of you for your goodness and support. You have been most kind and most generous and supportive of all of our endeavors – you are a blessing to me and our parish. During these summer months know of my prayers. I hope you can find moments of rest and relaxation.

Peace, Fr. Manno
