

Pastor's Notes

Dear Friends,

Happy Father's Day to all of our dads! Please keep in prayer all dads who have been called home to the Lord – may God grant them eternal rest and peace.

Welcome back to Church! It feels like it has been forever! I am so happy we can gather in church for our Masses and the celebration of the Sacraments. At the same time, I am grateful for the gift of our live stream that brings our Mass to so many parishioner's homes and to many throughout the United States and the world for that matter.

I just ask that we remain mindful of all of those people who have been infected with the coronavirus. Let's pray especially for those who have died from it and their family members. It has been a difficult four months for people around the globe and it is important that we continue to pray for an end to this dreaded disease.

I ask you to keep praying for Msgr. Yeazel's recovery. He is making progress and I know, with the prayers of so many people behind him, he will do well. As you can imagine, he has a long road ahead of him, but with any journey, it is always one step at a time.

Just a reminder that the Mass Schedule at Holy Family is Saturday Vigil Mass at 4 PM and Sunday morning Masses at 7:30 AM, 10:30 AM, and 4 PM. Daily Mass is Monday through Saturday at 8 AM. Confessions have been moved to Monday evenings from 5:30 to 6:30 PM. Thank you so much for your graciousness during these times. It requires all of us to be flexible and you have been so good about accommodating changing times and schedules.

Please know you are in my daily prayers and know of my love, concern, and support for all of you. Again, Happy Father's Day!

Blessings,
Father Manno

Many conversations this week have included church services and the blessing of being able to go back inside and worship. Even though everyone was wearing masks, you could "see" the smiles and feel the peace of being in the presence of the Lord.

Many people are dealing with health concerns and are not able to return to church just yet. Let's continue to pray for the end of the pandemic and healing so that we can see more smiles!

We are doing everything in the pantry by appointment. To reach the food pantry, please call us at 315-466-2885.

Items needed for the pantry: paper toweling, laundry detergent, pancake mix, deodorant

Thank you for all that you do. Our prayers are with you.

Blessings,

Liz Marrapese and Margo Dyer

Meetings are 1 hour long and start at 7PM. All are welcome. Contact Dc. Dean Brainard for more information at dbrainard@syrdio.org or 315-471-6754 ext. 5.

A FAMILY PERSPECTIVE:

Jesus says "Do not be afraid" three times in today's gospel and reminds us "all concealed secrets will be revealed." Do not be afraid to acknowledge problems in your family. If they remain "hidden in darkness" they will "destroy body and soul." Healing, understanding and hope are found only "in the light" of openness. "Do not be afraid."

Deacon Mal's Message

Sunday, June 21st, marks Fathers' Day! Hopefully this is an opportunity for us to be thankful to Our God for and to pray for and to remember our fathers and father-figures.

In my own life, I am very thankful for my beloved Dad. He is a wonderful man. I owe a lot to him. My relationship with him has grown, and I have come closer to him, especially during recent years. I had the great privilege of seeing him and celebrating with him recently. I am also very thankful for the priests and many other father figures in my life.

To you, my dear Dad, and to all the priests and father figures in my life, I say "THANK YOU! I THANK GOD FOR YOU!" You all have revealed to me, in different ways the love of the Sacred Heart of Christ.

On this Fathers' Day, may we also give our forgiveness to our fathers and father figures who may have wronged us and ask pardon of our fathers and father figures for all the ways in which we may have wronged them. This can be very difficult, especially since so many of the hurts and wounds in our lives come from our relationships with those closest to us. Nevertheless, we are assisted greatly in our pilgrimage to growth in being images of God the Father to others; the more we ask forgiveness of our fathers and father-figures and the more we grant forgiveness to them.

May we also pray for all of those who have never known their father or who have never had a father-figure in their lives. This is an unfortunate, but all too common phenomenon in our world today. May we not only pray for them, but through our kindness and love, be fathers figures for those who have none.

Finally, may we remember and pray for all of our deceased fathers and father figures, who have been called home to the Lord. May we look forward in joyful hope to the day when, please God, we will be reunited with our deceased fathers and father figures in the communion of Heaven, with the Blessed Trinity (Father, Son and Holy Spirit), with Our Mother Mary, with St. Joseph (Foster Father of Jesus) and with all of God's angels and saints forever.

Happy Fathers' Day!

May God bless us and Mary keep us always in His love.

Be Blessed and Be a Blessing!

Peace,
Dcn. Mal

Coming Soon: MY OWN CHURCH!

One of the lessons learned during this pandemic period is the importance of communication. With things changing almost hourly sometimes, being able to stay in touch with you as parishioners of Holy Family Church became very important. And we soon realized that our database is woefully inaccurate when it comes to current information for our members! So, with that in mind, within the next few weeks, we will be introducing a component of our database called MY OWN CHURCH.

MY OWN CHURCH will allow you to keep track of your donations, sacraments, add family members, update email & contact information and much more. And, in order to get it underway, we need to update our email information! So we need your help!

We are asking all parishioners to please send your email address to holyfamily@holyfamilysyr.org and indicate that you would like to be included in our email list. Families can designate one email for the entire family. If there is anything else that needs updating - perhaps you no longer have a landline and are just using cell phones, or you've moved and have a new address - please let us know those things, too!

Thanks in advance and be watching for more news about MY OWN CHURCH!
