

Pastor's Notes

Dear Holy Family Parishioners and Friends,

Greetings from Holy Family! You are always very close to me as I hold you in my thoughts and prayers!

I am sure by now you have seen the news and the announcement that the Diocese of Syracuse has filed for reorganization under Chapter 11 before the United States Bankruptcy Court, Northern District of New York. I feel it is important to note that only the corporation of the Roman Catholic Diocese of Syracuse is filing Chapter 11. Holy Family Church, all other parishes, schools, Catholic Charities, the HOPE Appeal, the Syracuse Diocesan Investment Fund, and all other separately incorporated entities in the Diocese are **NOT** directly involved in these proceedings.

As your pastor, I want you to know that your restricted donations to Holy Family Church, Holy Family School, our food pantry, our capital campaign, and so on cannot be used for any purposes outside of their specified use at our parish. Again, the Roman Catholic Diocese of Syracuse filed Chapter 11 – **NOT** Holy Family Church.

You will see that the main reason the Diocese of Syracuse is filing for Chapter 11 is so there will be justice for all victims of clergy sexual abuse and to continue the mission of the Diocese - the proclamation of the Gospel and saving souls. Currently, the Diocese has over 100 lawsuits that have been filed. As you can imagine, the legal fees for each case are very costly. One jury award could so diminish the assets of the Diocese that the Diocese would have little to nothing left to resolve other claims or to carry on the important ministries in our Diocese. This reorganization for the Diocese is not being done to cover up the sins of the past but to help bring about justice for victims.

I just want you to know that I pray daily for victims of clergy sexual abuse. I pray that God grant them what they need for healing, peace of mind, and strength. I hurt for them and I am

sorry that they have had to go through this pain and suffering due to the actions of the clergy or trusted lay people. Please join me in praying for the victims.

Tonight my heart is heavy that this action had to be taken. However, this reorganization will help those who have suffered for a long time and it will help the Diocese to identify priorities in ministry and continue the work of getting souls to heaven.

Please remember this...we have a great parish (the best), we have a great school (the best), we have an abundance of ministries, and none of that will change...EVER.

Know of my love, prayers, and support. I ask, in your charity, to remember me in your prayers.

Blessings always,

Father Manno

**Mass
Schedule**

In this unusual time, many of us have slowed down a bit and have the opportunity to appreciate our blessings even more than we previously have. In Outreach, we know that we are truly blessed by our "Holy Family". We are still in amazement over the generosity you repeatedly provide to our clients.

As the effects of the pandemic continue, we are hearing from people who need assistance. Some of them are having difficulty reaching out to us because they have always been self sufficient. God is great in providing for them through your help. It is difficult to find the right words to express our thanks to you for being a beacon of light. Our prayers continue for you and your families.

A FAMILY PERSPECTIVE:

Today's gospel challenges us to resist the individualism of our culture. Everything we are and have is pure gift which we are expected to share especially to the "lowly ones." What has been freely given needs to be shared freely. No strings attached.

MY OWN CHURCH

Holy Family Church is kicking off a new system called **My Own Church**, for your use in keeping up with happenings here and helping us communicate with you more efficiently! It's kind of like the Patient Portal you might be using to stay in touch with your doctor's office! We don't do telemedicine visits however!

All you need to do is visit <https://syracuse.parishsoftfamilysuite.com> and create a new account. Then someone from the Parish Office will approve your account, email you, and you will be able to update your family information including names, addresses, phone numbers, email addresses. You can add family members that may not have been included when you registered years ago! You will be able to view Holy Family's pictorial directory and upload your favorite family photo. Eventually you will be able to print your own contribution statements and register for Faith Formation or trips and events as they happen here. This also helps us when you need a Baptismal or Sponsor Certificate. But most of all, it will help us to communicate to all of our parishioners in these changing times!

So please, sign up for **My Own Church** today!

PRAYER FOR A PANDEMIC

May we who are merely inconvenienced remember those whose lives are at stake.

May we who have no risk factors remember those most vulnerable.

May we who have the luxury of working from home remember those who must choose between preserving their health or making their rent.

May we who have the flexibility to care for our children when their schools close remember those who have no options.

May we who have to cancel our trips remember those that have no place to go.

May we who are losing our margin money in the tumult of the economic market remember those who have no margin at all.

May we who settle in for a quarantine at home remember those who have no home.

During this time when we cannot physically wrap our arms around each other, let us yet find ways to be the loving embrace of God to our neighbors.
